MUHAMMAD HUZAIFA

Draftsman | Supervisor | Support Officer

PROFILE

As an accomplished Civil Supervisor with extensive experience as a Supervisor and AutoCAD Draftsman, I have contributed my expertise to various engineering sectors. My career began with a role involving the supervision of multiple construction sites with diligence. Subsequently, I honed my skills in creating detailed interior drawings and planning innovative designs. My capabilities further expanded within the B.O.Q. department, focusing on the meticulous preparation of contractor bills and efficient vendor management. Throughout my career, I have been instrumental in driving successful project completions by overseeing financial approvals and managing critical aspects of architectural projects. My goal is to gain proficiency in 3ds Max and Revit after mastering AutoCAD drafting. Currently, I have a basic understanding of both and am committed to further developing my skills in these areas.
